

Preliminary agenda

SET-Plan Implementation Working Group 4
3rd Cross-sector Symposium on Interoperability

Governance and Testing Strategies for Interoperability: Challenges and Opportunities

26th June 2025, Vienna

The symposium is designed for experts and policy makers to share experiences across sectors. Learn about the importance of governance and interoperability testing for different sectors in Europe.

starting at 09.00 a.m

Moderation: t.b.d and Angela Berger, CETPartnership

Welcome

- Welcome from the SET-Plan IWG4, NN
- Introduction of activities in the energy sector
 - CETPartnership: Angela Berger, Lead CETP EU Collaboration Network for Interoperability Testing
 - HE project int:net: NN

The concept of an interoperability framework

- Moving from use case definition to implementation scenarios
- Focus on the needed governance for consensus building
- Promote, co-create consensus based specifications and reusability of specifications
- Manage testable interoperability specifications

Coffee Break

Activities in the different sectors

- **Healthcare:** t.b.d., Example: status of the EHDS Act
- **Energy:** t.b.d., Example: SEEG, Set-Plan revamp
- **Public Services:** t.b.d., Example: Interoperable Europe Act, EIF for smart cities
- **Industry:** t.b.d., Example: Interoperability and the importance for SMEs
- **Mobility:** t.b.d., Example: ITS, Electro mobility
- **Agriculture:** t.b.d.

13:00 Lunch break

starting at 14.00 p.m

Behind the scenes tour (IHE) Connectathon test floor

- VIP Tour on IHE Connectathon test floor and Energy projectathon test floor

starting at 15.00 p.m

Interactive Session on practical views to interoperability testing

- The basic requirements of interoperability testing, NN
- Interoperability testing in energy, NN

Ending at 16:30 p.m.
